Dedication

With respect and admiration we dedicate this seventh edition of "The Marian" to you, the devoted Alumni of St. Mary's High, who have gone out to take your places in the world. May your good example inspire us, the class of '47 to follow in your footsteps that we, too, may become worthy members of S.M.H. Alumni Association and honorable men and women of tomorrow.

The class of '47 is the eighth in the history of St. Mary's and their graduation brings the number of alumni beyond the two hundred mark. The family is growing, and thanks to several marriages, is multiplying.

Some of the St. Mary's Alumni family have strayed away, but few of those who are gone from our midst forget the intimate friendships nurtured in high school.

A majority of the graduates still live in Pittsburgh. They are taking their places in the normal activity of their parish. Many have expressed a desire to form an association of the alumni whereby activities in their own circle would retie the many knots of friendship in a closer knit, and present an opportunity to act as an integral unit in advancing the interest and influence of their parish and school. The war prevented the organization of an alumni association for some five years.

A dinner party held in mid-February became the inaugural event of the St. Mary's Alumni Association. Its heartening success presented a pleasant indication of the future of the alumni family activities. At the dinner party officers were elected to proceed with plans for the association. Frank Grimaldi, '42, was voted president, Jim O'Connor, '45, vice-president, and Laura Mae Longerot, '41, secretary-treasurer.

Monsignor P. McCullough,
St. Mary's Church,
Pittsburg, Kansas.

Dear Monsignor:

We wish to express our appreciation and gratitude for your spiritual and moral guidance throughout our grade and high school career. Through your hard work and unselfishness you have provided for us one of the finest Catholic high schools in this state. You have guided us to follow the straight and narrow path to good Catholic manhood and womanhood.

In our years after school we will remember your guidance in the things that count so much in future life. It is not alone the knowledge we have acquired that we appreciate so much as it is the Catholic principles of doing and acting.

We, all of us, from the depths of our hearts wish to thank you.

Gratefully yours,
The Senior Class

Father Landis came to St. Mary's in November, 1946. We have appreciated his interest and effort to help us shape our lives to spiritual and social perfection. We cannot express the gratitude we feel but we trust that his zeal will be rewarded in our future successful lives.

MEMORIES

Memories of your "Good Morning, Mother" as you arise,
The laughter and twinkle in your big blue eyes—
The sunshine you spread all through our home
Without you, Veldona, I feel so alone.
Our joy and sorrow, together we would share,
That you understood, dear little pal, made life's trials easier to bear.
I can hear, "Where's Mother?" as you came in at five,
I can almost feel you with me, as if you were still alive.

IN MEMORIAM

Veldona Wattlelet

I can see you kneeling in prayer,
and hear your "Mother, come tuck me in bed,"
And on your pillow I see your darling curly head.
On Sunday morning to Mass we would go, to visit our Lord, you loved Him so.
God sent you to me, He loved you too, He wanted you back as your mission was through,
So I pray day and night, when my work here is through,
He'll take me to heaven and again I'll be with you.
So until then, dear Veldona, all I have left is "Sweet Memories of you."

—Mrs. John Wattlelet

CLASS HISTORY

We, the Senior Class of '47, wish to review our previous years. We had so much fun. Of course, we had mishaps, too, but it was all so wonderful. Our advice to every class is to be sure to get all you can out of high school. We feel that we did. Just look at our accomplishments.

"Finished Yet Beginning"

FRESHMAN YEAR

Our big undertaking, starting a high school career, was underway. Duties for the year were assigned to Veldona Wattlelet, President, Joe Deruy, Vice President, Jim Sterbenz, Secretary, Pete Esch, Treasurer. Sister Martin has a way that leads poor little Freshmen on. When the basketball season began, Keller, Sterbenz, Fields, Jones, O'Connell, Yoakam, Pinsart, Smith, Mooney, and Esch made quite a showing. Betty Leach was voted our cheerleader. The post of class reporter was filled by her also. Father Hertel started the famous St. Mary's Minstrel—Freshmen participating. May found us graduates and also the eighth grade as we were the last ninth grade to graduate. Since that time there have been only eighth grade graduations. You see we were destined to make history.

JUNIOR YEAR

Oh, yes, Officers Deruy and Mooney were at it again as president and vice-president, with Rosemary Fedell as secretary and Betty June Coyle as treasurer—good little helpers. Main event! Heap Big Pow Wow! Junior-Senior Banquet! Sister Berchmans is really sharp when it comes to helping the Junior class give a banquet. Never let it be said that the Class of '47 went through high school without a single new face.. This year it was Bill Pope, Rosemary Fedell, Sandy Benso, and Betty and Eddie Garrison. Leach again, joined by Rosemary Fedell, headed a snappy pep club. Bill Pope saying, "Well, here is your Junior class reporter," served as our publicity agent. Candidates for King and Queen were none other than Miss Treasurer, Betty Coyle, and Mr. President, Joe Deruy. The first year for the J. A. A. saw Joe Deruy as its president and Gene Fields as vice-president.

SOPHOMORE YEAR

Some said it would be our hardest but we were there always prepared. Our officers were President, Joe Deruy; Vice President, Jim Mooney; Secretary, Betty Leach; Treasurer, Ted Yoakam. We saw the return of Betty June Coyle who had to leave us in the fifth grade, and the welcome mat was laid for Patricia Tierney. Veldona Wattlelet, our beloved president of the previous year died February 16. She had been unable to start at St. Mary's that year as the bus didn't make Radley. Betty Leach (surprisingly enough) was cheerleader once more. Class Reporter's job was handled for our class by Bob Smith. This year our Marian contestants were Betty Leach and Ted Yoakam. Another howling success of a Minstrel with Sophomores right in there, was produced. Basketball saw most of those interested in their Freshmen year, showing keen form and slated for very good prospects. We were so good, but how could we help but be so under Sister Ferdinand's guidance?

SENIOR YEAR

Our Senior year approached with a quick heartbeat—last year at S. M. H.! It must be a fruitful one. After careful consideration, Gene Fields was elected class president, Pat O'Connell, vice-president, Blanche Murry, secretary and Arthur Pinsart, treasurer. But that's not all. Seniors hold more than one post so our Sodality officers were Prefect, George Sheward; Vice-Prefect, Joe Deruy; Secretary, Betty Coyle; Treasurer, Bill Pope. Leach was too old for yelling so underclassmen held the limelight in leading our yells. We must have learned much about selling annuals in our other three years for Sandy Benso and Otto Keller were Queen Marianette VII and King Marian VII. This year it wasn't just a reporter for the "Marianette." It was the entire staff led by co-editors Benso and Sterbenz for the first half of the year until Sterbenz who had been with us all the way had to change and go to Lillis High, Kansas City. Pat McCall very capably filled the position for the second semester. As you read through our annual you can see for yourself that Co-editors Betty Coyle and Betty Bladl have done a job fit for the kings. Rosemary Fedell, our colleague in the Junior class, moved to Wyoming. A fruitful year, indeed! Some of our splendid accomplishments—the Coronation Ball, Junior-Senior Banquet, Class Night, and then a wonderful finale, Graduation Day! Such memories! But we're just beginning!

The Sodality of Our Lady is a religious society formed to spread devotion to Our Blessed Mother and also to help shape the lives of Our Catholic youth so that in the future, the youth of today will be the good Catholic men and women of tomorrow. Our theme for this year is "Christ's Life, My Life."

This year St. Mary's High had the honor of being host to the Kansas State Sodality Union. This is the second time that St. Mary's has been sponsor to the State meeting.

Party is Success

Wednesday evening, October 30, a Hallowe'en party and dance was held in the gym of St. Mary's High.

The card tables that were set up around the dance floor were decorated with orange and black crepe paper. Candles in the form of witches, pumpkins, cats and jack-o-lanterns were hung from the ceiling, one over the jukebox and one other over the main entrance. Black and orange crepe paper was hung all over the ceiling and extended from the light.

New records to be played for the evening were donated by Bob Smith.

Refreshments of sandwiches and Pepsi-Cola were served to about 90 guests.

We wish to extend our thanks to the chaperones Mrs. Benso, Mrs. Leach, Mrs. Burman, Mrs. Tierney and Mrs. Toeller.

A good time was enjoyed by everyone there. Believe it or not all the boys danced. We hope the "out of school" people enjoyed themselves. Sandy I.

TREBLE CLEF CLUB MEETS

Junior Treble Clef Club members from St. Mary's High School met for their annual meeting. It is quite an honor to be a member of this club. The background is a requirement. Mary Ann, Mary Frances Esch, Mary Smardo, Patty Patterson, Gerine Rae and Betty Leach, are the ones who share this privilege and represent S.M.H.

Officers for the year are President Joan Hughes who fills very well the shoes of Mariclare Benage, who for two years represented St. Mary's as President of the club. Vice President, Marilyn Seymour; Secretary, Mitzi Angwin, and Treasurer, Betty Leach.

Enter in National Contest

In a class meeting held in October, two seniors from St. Mary's high school were honored by their fellow students when they were elected to compete with seniors from other high schools throughout the United States and territories for the 121 four-year college scholarships and more than 600 fifty-dollar certificates of merit being offered again this year by the Pepsi-Scholarship Board.

Chosen from among 32 of their classmates as the students "most likely to make important contributions to human progress," these young boys and girls will represent other Kansas high school seniors for the scholarships and certificates of merit which are set aside specifically for this state. They are Pat McCall and Bob Smith.

At 9:00 a.m. Friday, Feb. 14, in St. Mary's High School these students will take a special test which has been carefully prepared for this competition by the College Entrance Examination Board, an independent board composed of representatives of America's colleges and universities. According to the principal, M. Linus, every precaution has been taken by the Pepsi-Scholarship Board to insure the uniform testing necessary for complete fairness to all candidates throughout the country. The tests will arrive at her office in a sealed package and are not to be opened until the day of the examination and then only in the presence of the candidates. Detailed instructions for the testing procedures will be enclosed, and, according to Sister Linus, she has been urged to see that the two faculty members
